S i r,

With reference to Government Order No. 635-85/ C.B. 59-24-1 dated 10th September 1924, I have the honour to submit herewith my application for study leave and the grant of concessions mentioned in that Order. Should the Government be pleased to sanction the leave, I shall be prepared to sail early in June April 1925. I propose to study the system of Municipal - Government in a few typical cities in England, France Germany and America. It is my present intention to spend about 4 months in England, 2 months in America and about a month on the Continent. If the Government approve I intend also visiting a few Government Offices in these countries to see how the office - systems are organised and what arrangements are in force to minimise official routine and spped up dis- posals of official business. My tour programme will not require attendance at any College and hence - no College fees will be necessary; but in case my course of study demands any payment of fees, I shall apply for the same in due course.

I shall be thankful if the Government will also kindly grant me a loan of Rs. 6,000 on the security of my Life Assurance Policy, the loan being repaid by me on my return in six annual instalments of Rs. 1,000 each. I pray that this may be favourably considered by the Government.

I have the honour to be,

Sir,

Your most obedient servant,

Special Officer,
Local Self-Government.
